Insurance 101

Property & Casualty Basics

Thursday, March 3rd, 2016 | 8:30 am - 12:00 pm *(At PS&F HQ, Bellevue)*

Thursday, August 11th, 2016 | 8:30 am - 12:00 pm *(At the WTC, Seattle)*

WHAT YOU WILL LEARN

This course is intended for those individuals who have little or no insurance experience and knowledge. It is designed to familiarize the non-insurance professional with basic concepts of traditional insurance coverage as well as key terms and principles. The major coverages dealt with are property insurance, general liability insurance, auto insurance, umbrella/excess liability, and others. Areas of importance such as named insureds, coverage forms, policy exclusions, conditions and limitations, along with coverage enhancements and solutions for common insurance issues.

The attendee will leave this seminar with a basic understanding of standard insurance coverages including their function and those areas of coverage which are often confusing or misunderstood.

PRESENTER: SHELLEY CARDIEL

Shelley is a Senior Account Manager in our Commercial Department and a Principal of our firm. She plays a leadership role in our quality control, procedures, and training programs, and she supervises PS&F's commercial account team members. In addition to her leadership responsibilities, Shelley manages all administrative aspects of the insurance program for some of our largest, most high profile, and technically complex clients. Shelley specializes in Construction and Real Estate accounts, and has extensive experience with Contractor Controlled Insurance Program (CCIP) and Owner Controlled Insurance Program (OCIP) management and administration. She is an expert in contract analysis for insurance purposes and conducts training seminars on all aspects of contract management, including review and proper handling of certificates of insurance. Shelley has 40 years experience in the insurance industry, 33 of those at Parker, Smith & Feek.
